

Our most powerful electric saw is for 230V and provides 2000W of power, which corresponds to a 2.8 hp petrol-driven saw. Highly developed ergonomics with a slim body, making this saw exceptionally easy to use. Mechanical and electronic overload protection spares the motor in the event the chain sticks. Stop time below one second for maximum safety.

EASY TO HANDLE

The engine is positioned lengthwise for a slim, easy-to-handle saw.

WINDOW FOR OIL LEVEL

Transparent window makes it easy to check chain oil level.

SAFETY REQUIREMENTS

Double-acting chain brake, throttle lock, right hand guard and chain catcher make the saw safer to use.

INERTIA CHAIN BRAKE

Effective inertia-activated chain brake.

Features

- Soft start provide better control
- Electronic Softstart™
- Electronic overspeed limiter

Technical data

Voltage	230 V
Power rating	2000 W
Oil tank volume	0.1 lit / 0.2 US pint
Oil pump type	Automatic
Equivalent vibration level (ahv, eq) front / rear handle	4.4/5.4 m/s ²
Sound power level, guaranteed (LWA)	106 dB(A)
Chain pitch	3/8"
Chain gauge	0.05"
Weight (excl. cutting equipment)	4.4 kg / 9.7 lbs
