

Efficient garden tractor with side ejection, smart design and ergonomics. Powerful Briggs & Stratton Endurance engine with full pressure lubrication. A comfortable and reliable tractor with pedal-operated hydrostatic transmission. Can be complimented with a collector and BioClip® kit.

**TRIOCLIP**

With the help of different accessories, our tractors can be converted to TrioClip, which means three different cutting systems in one machine: collection, BioClip® (mulching) and ejection.

**PEDAL-OPERATED HYDROSTATIC TRANSMISSION**

Speed and direction are managed by pedals, which lets you keep both hands on the steering wheel, for optimum driving control.

**YEAR-ROUND USE**

A wide range of accessories makes our tractors versatile and useful all year round. They can be fitted with trailers, snow blades, brushes and more.

**STEP-THROUGH**

Ensures comfortable and easy mounting and dismounting.

## Features

- Lever-operated hydrostatic transmission
- Easy-access cutting height adjustment
- Adjustable seat, while seated
- Ergonomic steering wheel
- Manual blade engagement
- Robust and durable steel chassis

## Technical data
