

Powerful, versatile mower with large cutting capacity. Equipped with a wide, robust steel cutting deck. Powered by a strong, easy-start engine from Honda. Further features include an efficient TrioClip system and robust ball-bearing wheels. This model also features variable drive speed for maximum driving comfort and cutting efficiency.

**TRIOCLIP**

Three different cutting systems in one machine. Choose between collection, BioClip® or side ejection.

**HONDA ENGINE**

Easy-to-start, powerful Honda engine.

**VARIABLE DRIVE SPEED**

Easy to adjust the ground speed according to your needs and the condition of the lawn.

**DOUBLE BALL-BEARING WHEELS**

Ensure a smooth run and minimize play, even after many years of use.

## Features

- Foldable handle for easy storage
- Comfort handle with easy-access controls

## Technical data
